KE Holdings Inc. Releases its Inaugural ESG Report

July 20, 2021

Beijing, China, July 20, 2021 - KE Holdings Inc. ("Beike" or the "Company") (NYSE: BEKE), a leading integrated online and offline platform for housing transactions and services, today published its 2020 Environmental, Social and Governance (ESG) Report. The first-ever ESG report highlights Beike's efforts to meaningfully impact the business ethics of the industry it serves, the core social responsibilities the company shoulders and its determination to promote sustainability through sound governance of its operations.

The report comprehensively summarizes Beike's ESG practices and goals in the following areas: ESG strategy, corporate governance, industry development, quality assurance, business ethics, talent development, low-carbon operations and community caring.

Throughout Beike's 20-year history, the Company has always endeavored to make a difference to people's lives and leave a positive mark on history through transforming the industry. Demonstrating leadership in ESG standards is of critical importance to Beike in continuing to propel the evolution of the housing transactions and services industry and pursuing its mission of "Admirable service, joyful living". The Company is fully committed to adhering to sound ESG principles as guidelines toward creating long-term value and benefit for customers, service providers, employees, shareholders, communities and society as a whole.

About KE Holdings Inc.

KE Holdings Inc. is a leading integrated online and offline platform for housing transactions and services. The Company is a pioneer in building the industry infrastructure and standards in China to reinvent how service providers and housing customers efficiently navigate and consummate housing transactions, ranging from existing and new home sales, home rentals, to home renovation, real estate financial solutions, and other services. The Company owns and operates Lianjia, China's leading real estate brokerage brand and an integral part of its Beike platform. With 20 years of operating experience through Lianjia since its inception in 2001, the Company believes the success and proven track record of Lianjia pave the way for it to build the industry infrastructure and standards and drive the rapid and sustainable growth of Beike.
